OFFICE OF LEGISLATIVE COUNSEL

Friday - 7 August 1970

1. (Confidential - JMM) Ken Harkins, of the staff of the Celler House Subcommittee investigating impeachment charges against Justice Douglas, called to say the Committee was meeting on Tuesday, 11 August, and would like to have by that time a written communication from the Agency confirming my oral word to Mr. Harkins of 4 August stating that we could not provide anything beyond the Director's unclassified letter of 15 July. I told Mr. Harkins the Director was out of town but I would consult him upon his return the first of the week and advise.

2. (Internal Use Only - LLM) Called Alan Johnson, Office of Management and Budget, concerning the status of the clearance of the CIARDS legislative proposal. He said OMB is still waiting reports from Civil Service Commission and Treasury, and in response to my question felt that OMB's views to the Agency would be forthcoming shortly after after they have received all departmental reports. [REDACTED] Office of Personnel, is calling Andrew Ruddock on the status of the Civil Service Commission's report.
